

Gabriela Robin, Cycle

a music act is what you need
two times enough
it leaves you under all the time
it's never versatile
tu-tu fuzzy think
ahn lo su tu-tah
it's a never whole new plahn caseema
leh shuuhn de vesh
agent e'tronic
duma luum me hehm catohm meh bluu'ah
Cycle, it's come of what you've seen us
oh, tee nah reh tah tee shuur (oh)
oh, cycle you, ahzmekuhl mee cree-yeh
ahzmekuhl mee cree-yeh, oh yeah
I might record androgyny
sometimes unique
it leaves you under all the time
and then I hope I've lost you
a mountain cunny eight
ahn lo su tu-kah
lihma ah reh pohm caseema
neh shuuhn de vaash
if you're e'tronic
duma luum me hehm catohm meh
green behind, I don't want you left behind
Cycle, it's come of what you've seen us
oh, tee nah reh tah tee shuur (oh)
oh, cycle you, ahzmekuhl mee cree-yeh
ahzmekuhl mee cree-yeh
+repeat
(ooh, sii yuu ka ree ka vehr reh)
(he-yeh, hey-yeh ooh...)
Cycle, it's come of what you've seen us
oh, tee nah reh tah tee shuur (oh)
oh, Cycle you, oh cycle mee cree-yeh
oh cycle mee cree-yeh(x2)
