

Gabriella Cilmi, Symmetry

Tell me something that I don't know
Is the truth you try to hide
Can let in your home
Do you hold on tightly
Or just let it go?
What you say on ___ breath
The pay for what you are

My conscience is broken
This black hole is open
Is pullem me pass upon the time
?

All I need to know:
Is your heart bleed like mine?
Is it open ?
Yes, something burning deep down inside
?
Symmetry between me and you
