

# Gabriella Troy, Gotta Go My Own Way

I gotta say what's on my mind  
something about us  
doesn't seem right these days  
life keeps getting in the way  
whenever we try to have a plan  
it's always rearranged  
it's so hard to say  
but I've gotta do what's best for me  
you'll be OK

chorus

I've gotta move on now  
and be who I am  
I just don't belong here  
I hope you understand  
we might find a place in this world some day  
but at least for now  
I gotta go my own way

Don't wanna live it all behind  
but I give my hopes on  
and I watch them fall  
every time  
another color turned so grey  
and it's just too hard to watch it all  
slowly fade away

I'm leaving today  
'cause I gotta do what's best for me  
you'll be OK

chorus

I've gotta move on now  
and be who I am  
I just don't belong here

I hope you understand  
we might find a place in this world some day  
but at least for now  
I gotta go my own way

What about us?  
what about everything we've been through?  
and what about trust?  
you know I never wanted to hurt you  
and what about me?  
what am I supposed to do?  
I gotta leave  
I'll miss you

chorus

I've gotta move on now  
and be who I am  
why do you have to go?  
we might find a place in this world some day  
but at least for now  
I want you to stay  
I gotta go my own way!

I've gotta move on now

and be who i am  
what about us?  
i've just don't belong here  
i hope you understand  
i'm trying to understand  
we might find a place in this world some day  
but at least for now  
i gotta go my own way(x3)
