

Gabrielle, There's Nothing I Wont Do For You

when you're feeling blue
don't know what to do
and need my help i'll try, 'cos thats what friends are for
i'll open my door always to you
i'll share your pain, i'll place no blame
no knife in the back, no need to look back
i am here
there's nothing to fear, i've always been here
always for you

There's nothing i wont do for you oh no oh no
there's nothing i wont do for you oh no oh no

we have shared so much
i know you so well
i feel in touch with your soul
so when you come to me, i'll know you're in need
i'll be your remedy, i'll share your pain
i'll place no blame
and all that you need, you'll get it from me
i am here
there's nothing to fear, i've always been here
always for you

There's nothing i wont do for you oh no oh no
there's nothing i wont do for you oh no oh no

you know that i know how it feels to be hurting
and keeping it in, believing there's no-one
there for you, but i'm here
i'm here

There's nothing i wont do for you oh no oh no
there's nothing i wont do for you oh no oh no

There's nothing i wont do for you oh no oh no
there's nothing i wont do for you oh no oh no

There's nothing i wont do for you oh no oh no
there's nothing i wont do for you oh no oh no
