

# Gabrielle, Walk On By

If you see me walking down the street  
And I start to cry, each time we meet  
Walk on by  
Make believe that you don't see the tears  
Yes let me grieve in private  
'Cos each time I see you I break down and cry  
Oh walk on by  
I just can't get over losing you  
And if I seem broken in two  
Walk on by  
Foolish pride, that's all I have left  
So let me hide the tears and the sadness  
You gave me when you said goodbye  
Oh walk on by  
Stupid pride that's all I have left  
So let me hide the tears and the sadness  
You gave me when you said goodbye  
Oh walk on by  
You know you really got to go  
So walk on by  
Baby leave me never see the tears I cry  
Know you really go to go so walk on by
