

# Gabry Ponte, Sexy Swag (ft. Shaggy)

Move your body  
Here I am and I feel better  
Here we got it  
Sun, beach party and good weather  
Clap your hands  
Put your hands in the air  
Everywhere, we gotta dance all together (x2)

Champagne glasses on the floor  
People jumping up and down  
Sexy chicks are in the building  
Now we gotta scream it loud  
Ready for my music act?  
Picking up my microphone  
Ladies now I got the power  
Listen, that's my crazy tone

I love swag  
I got swag  
Shaggy!  
Gabry Ponte!  
I love the sexy

Girl your body look nice  
And me love how you move it  
Right-sexy  
Tantalizing eyes  
And the swag make me fantasize  
Sexy she know she so fly  
And you shake all your curves well tight  
Sexy  
Now I tell you no lie  
Are you my one  
Hold me tonight sexy

Fiesta, we got the keys  
Party, we rock the beat  
Ladies, now move your feet  
Swag in the building  
We dancing, clapping the hands  
We moving without a plan  
We rocking, now here we stand  
I wanna see your body move

Move your body  
Here I am and I feel better  
Here we got it  
Sun, beach party and good weather  
Clap your hands

Sexy swag  
I love the dirty girls  
Benjamin is in my pocket  
Now I can rock this club  
I drag you to the beach  
You're a pawn in my hand  
No strings attaching my shawty  
I told you that's my plan

This girl is swaggalicious  
That's right  
Throw your hands in the air  
Throw them up  
Throw them up

Move your body  
Here I am and I feel better

Sun, beach party and good weather  
Clap your hands  
Put your hands in the air  
Everywhere, we gotta dance all together (x2)
