&lt;/lyrics&gt;

On a train platform where I didn't expect to see anyone  
I saw you looking at me

Just like, we couldn't ever meet again...  
I saw tears of loneliness floating in your eyes

Just like there's no night that won't end...  
We'll meet again  
No matter how distant we are

I'll love you  
I'll definitely love you  
Just like this dream won't end  
To the other side of this rainbow  
Let's walk together  
As far as the limitless sky continues

The letter from you,  
I traced the fading characters over and over again

Just like there's no rain that won't stop  
We'll meet again  
No matter how much time passes

Be by my side  
Forever be by my side  
Just like this breeze reaches you  
To the other side of this sky  
Until the place where you're waiting  
Just like the limitless dream continues

Even if I hurt someone  
I'll watch over you  
Just like this dream won't end  
To the other side of this rainbow  
Let's walk together  
As far as the limitless sky continues
