

# Galaxie 500, King Of Spain (Part 2)

You know I am the King of Spain  
And I know that you can never tear me apart again  
The empty halls I roam around  
And my friends don't understand I'll never lose again

You know I am the King of Spain  
Yeah and I know that you can never bring me down again  
Oh yeah I am the King of Spain  
Yeah and I know that you can never tear me

Well, I'm the King of Spain, I'm smilin to  
myself I'm laughin out aloud, I'll never cry again  
No, I'm the King of Spain, I'm smilin to myself  
They play my favorite song, I'll never cry again

You know I am the King of Spain  
And I know that you will never bring me down again  
Oh yeah I am the King of Spain  
Yeah and I know that you can never tear me

No I'm the King of Spain, I'm smiling to myself  
I'm laughin out aloud, I'll never cry again  
Yeah I'm the King of Spain, I'm smilin to myself  
I'm laughin out aloud, cause I'm the King of Spain
