

# Gallows, In The Belly Of A Shark

So here I lie  
In the belly of a shark  
So fucking cold and so fucking dark  
So here I lie  
In the belly of a shark  
And how the fuck did I get this far?  
Cut yourself first  
They can smell your blood  
From forty miles away  
There'll be here in no time  
I'm gonna show you  
Exactly what you mean to me  
I'm gonna eat every man that you see
