

Game Music, Real Emotion

What can I do for you?

What can I do for you?

What can I do for you?

What can I do for you?

I can't hear you

What can I do for you?

What can I do for you?

What can I do for you?

Far beyond the hazy borders of my heart
I can see a place that's something like this
Every now and then I don't know what to do
Still I know that I can never go back

But the things I've seen
In those hazy dreams
Can't compare to what I'm seeing now
Everything's so different
That it brings me to my knees

And though I know the world of real emotion has surrounded me
I won't give in to it
Now I know that forward is the only way my heart can go
I hear your voice calling out to me,
"You'll never be alone."

What can I do for you?

What can I do for you?

What can I do for you?

What can I do for you?

I can't hear you

And if I find
The real world of emotion has surrounded me
And I can't go on
But you are there
The moment that I close my eyes to comfort me
We are connected for all of time
I'll never be alone

And though I know the world of real emotion has surrounded me
I won't give into it
Now I know that forward is the
Only way my heart can go
I hear your voice calling out to me:
"You'll never be alone."

What can I do for you?

What can I do for you?

What can I do for you?

I can't hear you

I can't hear you
