

# Gamma Ray, From the ashes

Now the time is here again  
I'm calling you my friends  
from the ashes we must rise!  
And it's been for much too long  
now that everything went wrong  
like the eagle we must fly  
Oooh the seal is torn  
the seed is sown  
ooh, we are coming!  
And we rise like phoenix from the ashes,  
let us go where no man's gone before  
and we don't need your tomorrow  
we're the kids of yesterday  
and our spirit will remain forevermore  
We're rising again!  
What's the use of living in a world that changes fast  
I cannot see the good side of the progress  
beyond the icy glitter world  
our hearts are beating fast  
a storm released to hammer on the fortress!  
your time has come  
Oooh, your world is done  
it's time to meet the maker  
ooh, we are coming!  
And we rise like phoenix from the ashes,  
let us go where no man's gone before  
and we don't need your tomorrow  
we're the kids of yesterday  
and our brotherhood is here forevermore  
We're rising again!  
...Uuuh, like phoenix from the ashes  
we will go where no man's gone before  
Rise like phoenix from the ashes  
let us boldly go where no man's gone before  
we don't need your tomorrow  
we will do it our own way  
and the world belongs to us forevermore  
We'll rise!  
we will go where no man's gone before!  
to hell with your tomorrow,  
we'll do it our own way,  
and our spirit will remain forevermore!  
So keep your dreams of progress  
you cannot win at all  
the spirit will remain forevermore!
