

Gang Of Four, A Hole In The Wallet

Education is their business
Women to know that they are equal

Why work for love if it shows no profit
You'll only earn emotional losses
Wasting time a hole in the wallet

There is only one condition
Stay in bed or in the kitchen

Better not (you'll only earn emotional losses)
Disrupt their passions

Mirror reflect their teaching
Make up makes up for your nature

Make up makes up for your nature
You're for seeing and not for hearing
Their commands are in your interest

Why work for love if it shows no profit
You'll only earn emotional losses
Wasting times a hole in the wallet

Their commands are your interest
There is only one condition
You're for seeing and for the taking

Why work for love if it shows no profit
You'll only earn emotional losses
Wasting times a hole in the wallet

Better not (you'll only earn emotional losses)
Disrupt their passions

Education is their business
