

# Garbage, Get Busy With The Fizzy

Well, I might just consider this,  
If you don't let me down.  
If you can keep me happy,  
Well, you can stick around.  
Now, I don't care for sycophants,  
They drive me 'round the bend.  
But if you can't control yourself,  
Then let's just keep good friends.

Let's make out in the back of your car.  
Let's go driving and tooling around.  
We could always get lost in a crowd.  
Are you ready to get deep down?

Woo-hoo!  
Woo-hoo!

Now there's something you should know about,  
I'm chronically depressed.  
I internalize my hatred and sacrifice myself.  
Now, I am busy Saturday,  
But I am free tonight,  
And I might have to sort you out,  
If you don't do it right.

Let's make out in the back of your car.  
Let's go driving and tooling around.  
We could always get lost in a crowd.  
Are you ready to get deep down?

Woo-hoo!  
Woo-hoo!

Get busy with the fizzy, baby.  
Get busy with the fizzy, baby.  
Get busy with the fizzy, baby.  
Get busy with the fizzy, baby.

Let's make out in the back of your car.  
Let's go driving and tooling around.  
We could always get lost in a crowd.  
Are you ready to get deep down?

Woo-hoo!  
Woo-hoo!  
Woo-hoo!  
Woo-hoo!

Uh uh uh uh!  
Get busy with the fizzy, baby.  
Uh uh uh uh!  
Get busy with the fizzy, baby.  
Uh uh uh uh!  
Get busy with the fizzy, baby.  
Uh uh uh uh!  
Get busy with the fizzy, baby.  
Uh uh uh uh!  
Get busy with the fizzy, baby.  
Uh uh uh uh!  
Get busy...
