Garbage, Special

I'm living without you I know all about you I have run you down into the ground Spread disease about you over town

I used to adore you I couldn't control you There was nothing that I wouldn't do To keep myself around and close to you

Do you have an opinion? A mind of your own? I thought you were special I thought you should know But I've run out of patience I couldn't care less

Do you have an opinion? A mind of your own? I thought you were special I thought you should know

I used to amuse you I knew that i'd lose you

Now you're here and begging for a chance But there's no way in hell i'd take you back

Do you have an opinion?
A mind of your own?
I thought you were special
I thought you should know
But I've run out of patience
I've run out of comments
I'm tired of the violence
I couldn't care less.

I'm looking for a new... I'm looking for a new... I'm looking for a new... I'm looking for a new...

But we were the talk of the town We were the talk of the town We were the talk of the town We were the talk of the town

I thought you were special I thought you were special I thought you were special I thought you were special...
