Breath! Let's rush in let's lose control  
Breath! Let's rush in let's lose control  
Cries! Let's rush in let's lose control  
Cries! Let's rush in let's lose control  
Flowing away! Flowing away!  
Into this endless tide  
Ending up in the drain  
Watching back at another life

This day won't ever remind them of our  
Tear soaked ways of ending each other

Breath! Let's rush in let's lose control  
Breath! Let's rush in let's lose control  
Cries! Let's rush in let's lose control  
Cries! Let's rush in let's lose control  
Running away! Running away!  
Deep down into this down  
Flooding up in the drain  
Shedding its tears beyond

It LIVES  
It FEEDS  
It BREEDS  
It GROWS  
It SUCKS you dry  
When I saw you drown  
I saw you drown

When you are soaked in your tears  
Your tears they remind me  
Just give it away give it away  
Give all your problems to me  
I'll use them better you'll see  
Control my acts and needs  
Control my thoughts  
So deep down in this pool of tears
