

Gareth Gates, Forever Blue

Did you ever see the rainbow?
Did you ever hear me cry?
Did you ever see the colours fade away,
The night, the night you said goodbye

I'm never gonna love again
The way that I love you
I'm never gonna smile again
I will be forever...

Blue like the ocean
Silent, waiting
Blue like the river
Floating by
I will tell you I'm fine but
It won't be true...
If I can't have your love,
If I can't be with you
I'll be forever blue

Did you ever see the sun rise?
Did you ever feel my pain?
Did you ever see the sun go down,
When you, when you left me in rain

I'm never gonna love again
So say it isn't so
I really wanna smile again
Don't wanna be forever...

Blue like the ocean
Silent, waiting
Blue like the river
Floating by
I will tell you I'm fine but
It won't be true...
If I can't have your love,
If I can't be with you
I'll be forever blue

What do you do when the skies come falling down?
Where do you run when the waves come rolling in?
How do you cope when your heart's got a mind of it's own?
I will be forever...

Blue like the ocean
Silent, waiting
Blue like the river
Floating by
I will tell you I'm fine but
It won't be true

Blue like the ocean
Silent, waiting
Blue like the river
Floating by
I will tell you I'm fine but
It won't be true...
If I can't have your love,
If I can't be with you
I'll be forever blue
