Gareth Gates, Get To Know Me Better

Uh Uh gotta get to know me (repeat x2)

I can see you wanna take control of me
Don't think that you play upon my vulnerability

Think you know me now
Think you know me
You're gonna get to know me better

Do you think that what you see is what you get
Baby you don't know me
You don't know me
You aint seen nothing yet
Ohhh
You're gonna get to know me better
Get to know me

Hear i am, Gonna be your man, Baby Understand

Think you know me now
Think you know me
You're gonna get to know me better

Gotta get to know me

I can see you're beautiful and everybody knows
Something's telling me that you ain't leavin' here alone
Think you know me now
Get to know me
You're gonna get to know me better
Yeah

Lets get this party started girl you know it's on your mind
So move a little closer
Closer, We're runnin' outta time

You're gonna get to know me better (runnin outta time)

Won't you come on

Here i am, Gonna be your man, Baby understand

Yeah

Think you know me now
Think you know me
Your gonna get to know me better

Get to know me, get to know me

If you want it, You can have it, If you need it come and get it (repeat x4)
