

Gareth Gates, Groove With Me

oh yeah, all right, oh oh oh yeah
hey girl
excuse me miss for sayin this but
its ur world
can i cum inside
lets hit the floor
dance a bit until we're sweatin'
an so much more
ill take you on a ride oh yeah
i see that look in ur eyes
i can tell ur feelin me
but actin like ur shy
dont be afraid to let go
just give into the rythym and ill
take control yeah
let me show you the way i move
you know that you want me to
so baby groove with me
there aint nothin i wouldnt do
im gettin into you
so baby groove with me
let me show ya
i wanna know ya
dont be afraid
i dont bite unless you want it
and so ill wait
til i am invited
i can tell ur turned on by it
come on lets play
i promise that ull like it girl
we're movin slow
but i need 2 know
just how fast u wanna go
i think its time to make up ur mind
so baby just let me show ya
let me show ya
let me show ya
the way i move
i wanna no ya
