

Gareth Gates, Just Say Yes

Just Say Yes
I wanna make a move
You know you got me sweatin'
I'm heatin' up from you
And here's the point I'm gettin' to
You wanna get with me
As far as I can see
Tryin' to find the words to
Let me know
Just stop wasting time
And tell me what's really on your mind

If you want me to come over
Just say yes
'Cause baby you know that's one word
You won't regret
And if your ready to go there
I promise you this
You'll never say no-nomore
Just say yes

I know we're movin' fast
I gotta funny feelin'
That we can make it last
There's more than just one reason why
We both cam here tonight

If you want me to come over
Just say yes
'Cause baby you know that's one word
You won't regret
And if your ready to go there
I promise you this
You'll never say no-nomore
Just say yes

You know you can't deny
You're tryin' to find a way to
Let it show

Three letters let me know just how you feel
Together you know we can make it real
You don't have to be afraid
I'll be waitin' til I hear you say
say say say say

If you want me to come over
Just say yes
'Cause baby you know that's one word
You won't regret
And if your ready to go there
I promise you this
You'll never say no-nomore
Just say yes
