Gareth Gates, Say It Isn't So

Skies are dark, it's time for rain Final call, you board the train Heading for tomorrow

I wave goodbye to yesterdays Wipe the tears, you hide your face Blinded by the sorrow

How can I be smiling like before When baby you don't love me anymore

Say it isn't so
Tell me you're not leaving
Say you're changed your mind now
That I am only dreaming
This is not goodbye
This is starting over
If you wanna know, I don't wanna let go
So say it isn't so

Ten to five, at least we've tried We're still alive but hope just died As they closed the door behind you

Whistle blows and tons of steel Shake the ground beneath the wheels As I wish I'd never found you

How can I be smiling when you're gone? Will I be strong enough to carry on?

Say it isn't so
Tell me you're not leaving
Say you've changed your mind now
That I am only dreaming
This is not goodbye
This is starting over
Say I'm not wide awake
If you wanna know, I don't wanna let go
So say it isn't so

Miles and miles to go
Before I can say, before I can lay my love for you to sleep
Oh darling oh
I got miles and miles to go
Before anyone will ever hear me laugh again

Say it isn't so
Tell me you're not leaving
Say you've changed your mind now
That I am only dreaming
This is not goodbye
This is starting over
Say I'm not wide awake
If you wanna know, I don't wanna let go
So say it isn't so..

Say you've changed your mind now That I am only dreaming That this is not goodbye This is starting over Say I'm not wide awake If you wanna know, I don't wanna let go So say it isn't so If you wanna know, I don't wanna let go So say it isn't so
