Gareth Gates, Sentimental

Girl I don't believe them when
they tell me you don't love me
Sometimes you seem to think
so little of me
Everybody tells me that they see
what's going on
So good to criticise that what
we have is wrong

I see you with another and i don't
know what to do
'cos the problem is that I love you ooh

Chorus
I get sentimental,baby please be gentle III
Baby please,put my mind at ease,
I get sentimental

You make me unstable but I like it
Never knowing where I stand but I
hide it.The games that your playing
the things that you're saying
I really need to know
You got me completely, I've fallen so deeply.
So please don't let me go.

I see you with another and I don't
know what to do
'Cos the problem is that I love you ooh

Chorus
I get sentimental,baby please be gentle III
Baby please,put my mind at ease,
I get sentimental

The games that you're playing and
things that you're saying
I really need to know
You got me completely
I've fallen so deeply so please
Don't let me go

Chorus x2
I get sentimental,baby please be gentle III
Baby please,put my mind at ease,
I get sentimental
