

# Gareth Gates, Skeletons

Rumours going round in circles  
that youve been seeing some else  
you know i love surprises  
but baby not that kind

whenever theres smoke theres fire  
you know im not a jealous guy but  
i need to know there lying  
i need to hear you say that  
theres nothing going on

let them dance  
break the news  
let the skeletons in your closet dance  
you gotta choose  
let them loose

im waiting  
so let me know whats going down  
have i been wasting my love?  
is it a last goodbye love?  
come look into my eyes

i promise  
i'll be thinking twice i promise (yeah)  
cause you're my everything  
my heart is in your hands  
my heart is in your hands
