

# Gareth Gates, Stacey And Bryony

I love Stacey and Bryony  
They mean everything to me  
I'll marry one of them  
If they will take me

They're so beautiful  
I love them forever  
And a day.....

Without them I'd die of sadness  
One day of loneliness would kill me  
Singleness is an impossible consequence  
So I'll be with them forever.....

I don't know if I could live  
If they died suddenly  
In a car crash  
If they fell off a cliff  
I'd jump after them  
And kiss them back to llllllife!!!!!!!!!!!!!!!!!!!!!!

Stacey and Bryony  
Please listen to me  
I love you  
Will you marry meee!!!
