

Garfield, Abu Dhabi Song

Abu Dhabi it's far away
Abu Dhabi that's where you'll stay
Abu Dhabi the place to be for any kitten who's annoying me, yeah
Abu Dhabi way off the tracks
Abu Dhabi now don't come back
Abu Dhabi what a great thrill
For any kitten who can make me ill

Now some take a train
and some take a plain
But I am sending you
not a boat
or even a goat
But in a box marked postage due

Abu Dhabi your what they lack
Abu Dhabi now your all packed
Abu Dhabi a long commute for a kitten who's TOO DARN CUTE!!!
