

# Garnett Silk, Let It Flow

Let it flow,  
let it flow, yeah, yeah.

There's a reason, for the sunshine sky.  
And there's a reason, why I am feeling so high.  
It must be the season,  
when the lovelight shines, all around us.

So let the feeling, rock you deep inside.  
Instead your reeling, where your love can't hide,  
and than you go steeling,  
for the morninglights, with you lover, with your lover.

Let your love flow, like a mountainstream.  
Let your love grow, with the smallest of dreams.  
Let your love show, and you know what I mean,  
it's the season, it's the season.

Let your love fly, like a bird on the winds.  
Let your love find you, through all little things.  
Let you love show, and you'll know what I mean,  
that's the reason.

There's a reason, for the warm sweet nights,  
and there's a reason, for the candlelights.  
It must be the season,  
when those lovelights shines, all around us.

So let the wonder, take you into space,  
when there you're under, it's lovely ambrass.  
Just feel the thunder, as it wants you face,  
you can't hold back no more, no baby !

Let your love flow, like a mountainstream.  
Let your love grow, with the smallest of dreams.  
Let your love show, and you know what I mean,  
it's the season, it's the season.

Let your love fly, like a bird on the winds.  
Let your love find you, through all little things.  
Let you love show, and you'll know what I mean,  
that's the reason.

Let your love flow, like a mountainstream.  
Let your love grow, with the smallest of dreams.  
Let your love show, and you know what I mean,  
it's the season, it's the season.
