

Garth Brooks, Baby Jesus Is Born

Tell the children of Abraham
There's a star over Bethlehem
And the light in the manger
Come a Christmas morn
When baby Jesus was born

Angel came to Mary
Said, I'm tellin' you
The light of this world
Is shinin' inside of you
His sweet forgiveness
Gonna set men free
The lame will walk
And the blind will see

Tell the children of Abraham
There's a star over Bethlehem
And the light in the manger
Come a Christmas morn
When baby Jesus is born

Wise men following a holy light
Shepherds heard singing
In the midnight sky
And they all come a'runnin'
Through the stable door
The meek and the mighty
The rich and the poor

Tell the children of Abraham
There's a star over Bethlehem
And the light in the manger
Come a Christmas morn
When baby Jesus is born
Baby Jesus is born
