

Garth Brooks, Unto You This Night

On a night so long ago
By the light of one bright star
Two weary travelers far from Galilee
Took refuge in a stable
Where a little child was born
To bring the gift of love, to you and me
When the angels told the shepherds of His birth
There came a great rejoicing on the earth.

Chorus:
And they sang, glory to God in the highest
Dawning that first Christmas morn
Peace on earth and tidings of great joy
For unto you this night a child is born.

And, lo, these many years since then
That ancient star still guides us
And now again our Christmas voices ring
Blessed we are and safe at home
With loved ones here beside us
And in the still and silent night we sing
How the angels told the shepherds of his birth
And there came a great rejoicing on the earth

Repeat Chorus.
