

# Gary Allan, Red Lips, Blue Eyes, Little White Lies

Red lips, blue eyes and little white lies  
Oh darlin', I'm a fool for you  
Hey darlin', why can't you be true.

Red lips, blue eyes and sweet disguise  
Oh darlin', the things you put me through  
Your little white lies are breaking my heart in two.

You come around and tell me that you love me so  
You take a little lovin' then you say you gotta go  
I know he's waitin' for you on the other side of town  
Well I'm a fool to love you baby  
'Cause I know you're messing round.

Red lips, blue eyes and little white lies  
Oh darlin', why can't you be true  
I'm crazy to love you, baby you know I do. yeah

--- Instrumental ---

Sooner or later you'll have to face the truth  
Little white lies will catch up with you  
With nowhere to run and no where to hide  
And no one to love you there by your side.

Red lips, blue eyes and little white lies  
Oh darlin', the things you put me through  
So, little white lies are gonna catch up with you.

Oh, your little white lies are gonna catch up with you  
Baby your little white lies are gonna catch up with you...
