Gary Barlow, Back For Good (ft. JLS)

I guess now it's time For me to give up I feel it's time Got a picture of you beside me Got your lipstick mark Still on your coffee cup Got a fist of pure emotion Got a head of shattered dreams Gotta leave it, Gotta leave it All behind now

Whatever I said, Whatever I did I didn't mean it I just want you back for good Whenever I'm wrong Just tell me the song and I'll sing it You'll be right and understood I want you back for good

Unaware but underlined I figured out this story It wasn't good But in the corner of my mind I celebrated glory But that was not to be In the twist of separation You excelled at being free Can't you find A little room inside for me

Whatever I said, Whatever I did I didn't mean it I just want you back for good Whenever I'm wrong Just tell me the song and I'll sing it You'll be right and understood I want you back for good

And we'll be together, This time is forever We'll be fighting And forever we will be So complete in our love We will never be uncovered again

Whatever I said, Whatever I did I didn't mean it I just want you back for good Whenever I'm wrong Just tell me the song and I'll sing it You'll be right and understood I want you back for good

I guess that now it's time That you came back for good
