

# Gary Barlow, Love Won't Wait

When I first saw your face  
Knew that I could not hesitate  
You said, "Baby don't go too fast  
If we do then it may not last"

Time went on and I waited for you  
I didn't know what else I could do  
(What else should I do)  
I thought that we'd always be together  
You said, "Hold on, it just gets better"

And I believed you  
I kept holding on  
You think that I can never leave you  
You think I'm not that strong  
You're wrong

Chorus:

Love won't wait (Love won't wait)  
Forever and a day (Love won't wait)  
Love must live in the here and now  
Don't ask me how I know

So here I am with my heart on my sleeve  
You said, "Baby put your trust in me"  
But I have come to the end of the line  
And you've wasted up all of my precious time

Wanted to be something special to you  
Everybody's somebody's fool  
(Won't be a fool)  
No, you've got me all wrong  
(You've got me all wrong)  
You don't know what you have  
Till it's gone

And I believed you  
I kept holding on  
You think that I can never leave you  
You think I'm not that strong  
You're wrong

(Repeat Chorus)

Love takes time (Love takes time)  
But you've been takin' too long  
(Take too long)  
Time never waited for anyone  
Don't wait too long  
Or I'll be gone  
Don't Wait too long  
I'll be gone  
I'll be gone

(Or there) There wasn't anything  
That I wouldn't do  
(And you) You led me on  
You even said, "I love you"  
(I love you, baby)  
How can we go on  
When it's tearin' us apart  
(How can we love)  
Are you going to break my heart?

'Cause I believed you

(Repeat Chorus)

Love takes time (Love takes time)  
But you've been takin' too long  
(Take too long)  
Time never waited for anyone  
Don't wait too long  
Or I'll be gone  
Don't Wait too long  
I'll be gone  
I'll be gone

Love takes time  
Don't let this love just pass by us  
It's not too late, you must choose  
Love is so hard to find  
And so easy to lose
