

Gary Barlow, Million Love Songs Later

Put your head against my life,
What do you hear?
A million words just trying to make the love song of the year
Close your eyes, but don't forget,
What you have heard
A man who's trying to say three words,
Words that make you scared.

(Chorus)

A million love songs later,
And here I am trying to tell you that I can
A million love songs later, and here I am, here I am
A million love songs later, and here I am.

Look into the future now,
this is what I see,
A million chances pass me by
A million chances to hold you
Take me back, take me back,
To where I used to be
Hide away from all my truths
Through the light I see.

(Chorus)

A million love songs later,
And here I am trying to tell you that I can
A million love songs later, and here I am,
Just for you girl
A million love songs later, here I am.

Feel for you babe, feel for you baby

(Chorus)

A million love songs later
And here I. here I am.
