Gary Chapman, Heal Me

by Gary Chapman Heal me! I'm not sure how much more I can take I can't tell at what point I will break But I can feel it coming on I can feel it coming on I'm so tired of planning my next fall I might lose my head and lose it all I can feel it coming on Yeah, I can feel it coming on And I'm so sorry that I'm feeling so sorry for myself I want to stop this CHORUS: Life isn't fair I don't deserve this How did this start And when will it pass I want a chance Though I may falter Here at this alter I dare to ask you To heal me, won't you heal me, come and heal me, heal me There is a hope I don't deny Deep in my heart I want to try And I can feel it coming on I can feel it coming on And I'm so sorry that I'm feeling so sorry for myself I want to stop this (REPEAT CHORUS) Heal me, heal me Heal me, heal me I'm askin' you to heal me, heal me Come and heal me, come and heal me When I need you, when I need you Won't you heal me When I'm cryin', when I'm hurtin' Won't you heal me I'm down on my knees, I'm beggin' you please To heal me Come and heal, heal me, heal me, heal me
