

# Gary Glitter, Didn't I Do It Right

Didn't I do, Didn't I do,  
Didn't I, Didn't I, Didn't I  
Didn't I do, Didn't I do,  
Didn't I, Didn't I, Didn't I

Here I stand a helpless man in trouble  
How could you just walk right out on me?

I don't understand I'm in a mudle  
I just want an answer to my questions don't cha see,

Didn't I do, Wasn't I good,  
Didn't I do, Wasn't I good,  
Didn't I do it right?  
Wasn't good last night?

Didn't I do, Didn't I do  
Didn't I do it ,  
Didn't I do it right? Right?  
Night after Night, Didn' I do it right?

All I want's a little information  
Give me something for my peace of mind;  
There must be a simple explanation  
How can anybody throw away a love like mine:

Maybe you don't see what you require  
Don't my kind of action turn you on;  
Baby can I set your heart afire?  
Why don't you tell me exactly just where I went wrong.
