

# Gary Go, Wonderful

The person that you were has died  
You've lost the sparkle in your eyes  
You fell for life - into its traps  
Now you wanna bridge the gaps  
Now you wanna bridge the gaps  
Now you want that person back

And all your ammunition's gone  
Run out of fuel to carry on  
You don't know what you wanna do  
You've got no pull to pull you through

Say "I am"  
Say "I am"  
Say "I am wonderful"

Say "I am"  
Say "I am"  
Say "I am wonderful"

If what you've lost cannot be found  
And the weight of the world weighs you down  
No longer with the will to fly  
You stop to let it pass you by  
Don't stop to let it pass you by  
You've gotta look yourself in the eye

Say "I am"  
Say "I am"  
Say "I am wonderful"  
Oh you are

Say "I am"  
Say "I am"  
Say "I am wonderful"

Cause we are all miracles  
wrapped up in chemicals  
We are incredible  
Don't take it for granted, no  
We are all miracles  
Oh we are

Say "I am"  
Say "I am"  
Say "I am wonderful"  
Oh you are

Don't take it for granted, no  
We are all miracles  
wrapped up, yeah we're wrapped up  
Oh we are wonderful
