Gary Moore, Always Gonna Love You

It's not the same when I look in her eyes. The magic's not there. And when I look, I realize What we could have shared.

I'm always gonna love you If loving means forever. I'm always gonna want you. I don't think I could ever Just forget the love we had.

It's not the same when she's here in my arms Or the smile on her face. And even though with all of her charms She can't take your place.

I'm always gonna love you If loving means forever. I'm always gonna want you. I don't think I could ever Just forget the love we had.

It's not the same when I look in her eyes. The magic's not there. And when I look, I realize What we could have shared.

I'm always gonna love you If loving means forever. I'm always gonna want you If loving means forever.

I'm always gonna love you If loving means forever. I'm always gonna want you If loving means forever.

I'm always gonna love you.
