

Gary Moore, Bring My Baby Back

(Gary Moore)

Well I'm standing at the station
A suitcase in my hand
I'm standing at the station
A suitcase in my hand

But that train won't bring my baby back
No that train won't bring my baby back

Yeah she left me here this morning
To meet another man
She left me here this morning
To meet another man

But that train won't bring my baby back
No that train won't bring my baby back, oh no

Gonna look for my sweet baby
A suitcase in my hand
Gonna look for my sweet baby
A suitcase in my hand

And that train don't bring my baby back
Yeah that train don't bring my baby back

Well I'm standing at the station
A suitcase in my hand
Lord I'm standing at the station
A suitcase in my hand

But that train won't bring my baby back
No that train won't bring my baby back, yeah
