

# Gary Moore, Can't Help Myself (E-Z Rollers Remi

(Gary Moore)

In this world of make believe  
I will try to find a way  
It's so easy to deceive  
What you do or what you say

I would never try to ever break your heart  
Even through it seems I tear your soul apart  
I would never try to hurt you  
Never leave you or desert you  
Try to understand  
I just can't help myself

In this world of make believe  
I will try to find a way  
It's so easy to deceive  
What you do and what you say

I would never try to ever break your heart  
Even through it seems I tear your soul apart  
I would never try to hurt you  
Never leave you or desert you  
Try to understand  
I just can't help myself

I just can't help myself

In this world of make believe  
I will try to find a way  
It's so easy to deceive  
With what you do and what you say
