

Gary Moore, Getaway Blues

If I feel this way tomorrow,
gonna make my getaway

If I feel this way tomorrow,
gonna have to make my getaway

Too much worries and troubles,
I just cant face another day

A lot of wicked night,
worries and troubles all over my mind

A lot of wicked night,
worries and troubles all over my mind

If I dont find some way outta here,
Im gonna have to leave this place behind

If I feel this way tomorrow,
gonna make my getaway

Feel this way tomorrow,
Im gonna have to make my getaway

Too much worries and troubles,
I just cant face another day

Getaway yeah, yeah, yeah, yeah
