

# Gary Moore, I Had A Dream

I, had a dream  
That you, were my Queen  
And I, was your King  
In the shadows of love

No one could see  
How close, we would be  
Two lovers, you and me  
In the shadows of love

I was a fool  
To play by the rules  
And I was a fool  
To let you go

Oh through the night  
When I held you so tight  
Till the first morning light  
But my eyes were closed

I, had a dream  
That you, were my Queen  
And I, was your King  
In the shadows of love
