

# Gary Moore, Midnight Blues

It's the darkest hour  
Of the darkest night  
It's a million miles  
From the morning light

Can't get no sleep  
Don't know what to do  
I've got those midnight blues

When the shadows fall  
I feel the night closing in  
There must be some reason  
For this mood I'm getting in

Can't get no sleep  
Don't know what to do  
I've got those midnight blues

Every evening after sundown  
As the light begins to fade  
I feel so low, but I just don't know  
Why these blues won't go away

Every evening after sundown  
As the light begins to fade  
I feel so low, but I just don't know  
Why these blues won't go away

It's the darkest hour  
Of the darkest night  
It's a million miles  
To the morning light

Can't get no sleep  
Don't know what to do  
I've got those midnight blues  
I've got those midnight blues  
I've got those midnight blues  
I've got those midnight blues
