

Gary Moore, One Good Reason

Take me out of here
This place is getting much too small
Make me disappear
Vanish through the nearest wall

Give me one good reason why i should stay
Give me one good reason to go on this way
Give me one good reason why i should stay with you
With you

Take me out of here
This place is closing in on me
Make it disappear
Somewhere else i wanna be

Give me one good reason why i should stay
Give me one good reason to go on this way
Give me one good reason why i should stay with you
With you

Give me one good reason why i should stay
Give me one good reason to go on this way
Give me one good reason why i should stay with you
With you
With you

Take me out of here
