Gary Moore, Really Gonna Rock Tonight

(Gary Moore)

I've been waiting such a long time, baby,
to find a woman just like you.
Come on over to my place, baby,
I tell you what we're gonna do.

We'll be rockin', rollin',
really gonna feel allright.
Rockin', rollin',
yes, I really gonna rock, really gonna rock,
really gonna rock tonight, yes that's right.

I been lookin' for a good time, baby,
someone that can see me through.
I been living for the first bite, baby,
You gotta see me give it to you.

'Cause I'm rockin', rollin',
really gonna feel allright.
Rockin', rollin',
yes, I really gonna rock, really gonna rock,
really gonna rock tonight.

Some people tell me what to do and say.
I never listen to them anyway.
Don't care if it's wrong or it's right.
I'm gettin' blown away,
I'm gonna try tonight, yeah, ooh.
Ooh, that's right.

'Cause I'm rockin', rollin',
really gonna feel allright.
Rockin', rollin',
yes, I really gonna rock, really gonna rock,
really gonna rock tonight.

Some people tell me what to do and say.
I never listen to 'em anyway.
Don't care if it's wrong or it's right.
I'm gettin' blown away,
I'm gonna try tonight.
Is that right.

Oh, gonna rock tonight.
Yeah, yeah-yeah-yeah, really gonna feel allright.
I'll tell you what, I'll tell you what I'm gonna do.
I'm really gonna rock tonight with you.
Oh yeah, ooh-ooh yeah-yeah.
I'm just gonna have a really good time.

'Cause I'm rockin', rollin',
really gonna feel allright.
Rockin', rollin',
yes, I really gonna rock tonight.

'Cause I'm rockin', rollin',
really gonna feel allright.
Rockin', rollin',
yes, I really gonna rock,
really gonna rock, really gonna rock,
really gonna rock, really gonna rock,
really gonna rock, really gonna rock tonight.
Yeah, rock tonight.
