

# Gary Moore, Still In Love With You (1985 Version)

(Phil Lynott)

I think I'll fall to pieces  
If I don't find somethin' else to do.  
This sadness never ceases.  
Woman, I'm still in love with you.

My head it keeps on reelin'.  
It's got me in a crazy spin.  
Ooh, darlin', darlin', darlin', darlin',  
Is this the end?  
I'm still in love with you.

Some people say time has a way of healing,  
And it can dry all the tears from your eyes.  
Oh, but darlin' they don't tell you 'bout this empty feelin',  
And I cannot disguise it.

After all that we've been through,  
I try my best, but it's no use.  
I will always keep on lovin' you,  
Is this the end?  
I'm still in love with you.

And now that it's all over,  
Woman, there is somethin' I think you should know.  
And maybe baby, you might think it over  
Just one more time before you go.

Call on me baby,  
If there's anything I can do for you.  
Call on me baby, baby,  
Help me see it through.  
I'm still in love with you.
