

Gary Moore, Stop Messin' Around

Oh, baby please stop messin' around
You're messin' around with my heart
Baby please stop messin' around
You're messin' around with my heart
And if you don't stop messin' baby
Pretty soon we're gonna have to part

Oh, baby please stop messin' around
You're messin' around all the time
Baby please stop messin' around
You're messin' around all the time
And if you don't stop messin' baby
You're gonna be someone elses baby, not mine

Squeeze me baby till my face turn cherry red
Roll me so hard, I'll fall right out of bed
Please stop messin' around
You're messin around all the time
If you don't stop messin' baby
You're gonna be someone elses baby, not mine

Squeeze me baby till my face turn cherry red
Roll me so hard, I'm gonna fall right out of bed
Please stop messin' around
You're messin around all the time
If you don't stop messin' baby
You're gonna be someone elses baby, not mine
Yeah!
