

Gary Moore, The World Keeps On Turning (Acoustic Version)

(P.A. Greenbaum)

Don't look for worries or troubles,
Worries and troubles come around.
Don't look for worries or troubles,
Worries and troubles come around.
The world keep on turnin',
Gotta keep my feet back on the ground.

Nobody saw me cryin',
Nobody knows the way I feel.
Nobody saw me cryin', people,
Nobody knows the way I feel.
The way I love that woman,
You know it's bound to get me killed.
Mm, yeah.

Loved that little girl so good,
She made my low down butter come.
Said I loved that little girl so good,
She made my low down butter come.
Oh, you know I need that woman,
I need her like the sky does need the sun.
