

Gary Morris, Another World

ANOTHER WORLD
(duet with Crystal Gayle)

(Gary)

I've always seen myself as a reckless gambler
Risking all that I had
Whenever I could

(Crystal)

But then one day it happened
You appeared like from a dream

(Both)

And we moved in synch like dancing
With our hearts in harmony

(Chorus)

You are my way
To another world
You are the one who makes me fly so high
You are the rain when my spirits run dry
You give my life
A hope that's real
'Cause when I'm with you
You take me away
To another world

(Crystal)

All my life I've been called a hopeless romantic
Waiting for my prince
To sweep me away

(Gary)

But when I found you I felt different
Than I ever felt before

(Both)

Suddenly I was taking no chances
By walking through your door

Chorus
