

Gary Numan, I Still Remember

So you've gone
Singing some old love song
I've nothing more to lose

I'm surrounded
By old stories
With nowhere to hide

I could tear
All your pictures
I could tear everything

You told me
Time makes it easy but you
Never told me time stands still

I can't believe it
I can't believe how it hurts
I can't believe it
I can't believe how love burns away

I remember

I can't sleep
All your words
Seem to let me down

Where are you
Why don't you call
It's been a long long time

I still remember
I still remember it all
I still remember
I still remember how love burned away

This could be
My last song
Everything must end some day
