

Gary Numan, Melt

Sometimes I wonder if God laughs at me
I hear His voice
When I sleep

Sometimes I wonder if The Holy Ghost
Is haunting me
In my dreams

Save me
Save me

Sometimes I wonder, does an angel die?
Rest in peace
Here with me?

Sometimes I wonder if a soul can cry?
I feel a pain
Next to mine

Can you hear me?
Can you hear me?
I don't think He died for me

I know that Heaven is a burnt out shell
I know forgiveness is the door to Hell
I know confession is a black empty lie
Look in my eyes
Look in my eyes

Save me

Save me
