## Gary Numan, Melt

Sometimes I wonder if God laughs at me I hear His voice When I sleep

Sometimes I wonder if The Holy Ghost Is haunting me In my dreams

Save me Save me

Sometimes I wonder, does an angel die? Rest in peace Here with me?

Sometimes I wonder if a soul can cry? I feel a pain Next to mine

Can you hear me? Can you hear me? I don't think He died for me

I know that Heaven is a burnt out shell I know forgiveness is the door to Hell I know confession is a black empty lie Look in my eyes Look in my eyes

Save me

Save me
