

Gary Numan, My Jesus

My Jesus is like a voice in the dark
My Jesus is like a lonely warning

My Jesus is like a fear that haunts me
My Jesus is like a tortured memory

I'm Praying for my soul

My Jesus is a collector of pain
My Jesus says
"Pain will prove you love me";

My Jesus is like a shadow crawling
My Jesus says
"Their screams will guide you to me";

Feels so warm inside of you... feels so warm
Feels so warm inside of you... feels so warm

I'm Praying for your soul
